Family name and given name	Personal identity code
Family name and given name	Personal identity code
Family name and given name	Personal identity code
Family name and given name	Personal identity code

## Choose if you accept the highest fee or will provide details on your income

- I accept the highest client fee in early childhood education and care or the maximum deductible for the service voucher.
- I will provide details on our income.

We will ask for the necessary income statements in the payment decision. The decision on the fee is sent during the month in which the child starts early childhood education and care.

## I assure that the information I have submitted is correct and give my consent to its verification.

Date	Guardian's signature and clarification of signature
------	---

## Address for submitting the application

Address: Early Childhood Education, City of Kokkola, PO Box 43, 67101 Kokkola.

ECEC service's mailbox: By the entrance to City Hall when entering from Virkakuja 5.

## You can receive the decision electronically or by mail

The City of Kokkola uses Suomi.fi-messages to send decisions. When the decision is made, you will receive a notification of a new Suomi.fi message in your email inbox. After this, you can read the officeholder's decision in the Messages section of the Suomi.fi service.

If you want to receive decisions electronically, please go to Suomi.fi to activate the service. If you accept electronic communication, messages from other authorities are sent by default to Suomi.fi Messages.

If you don't accept electronic communication, you will receive the decision by paper mail. The delivery time of the letter is approximately 7 working days.

## Where is the application data stored?

The application data is stored in the early childhood education and care data system maintained by the City of Kokkola. In addition, data is stored in the national data warehouse for early childhood education and care (Varda) maintained by the Finnish National Agency for Education. According to sections 68 and 70 of the Act on Early Childhood Education and Care (540/2018), municipalities have the obligation to store data on early childhood education and care in the early childhood education and care data repository.
