### Instructions:

Cast on 48 sts and divide them onto four double-pointed needles, 12 sts each. The beginning of the round is between needles I and IV. Work ribbing: k1 white, p1 blue and green for 10 rounds.

Knit 5 rounds with the main colour. Begin the colour pattern on row 1 of the chart. Work rows are 1-18. Cut the contrast colour and continue with the main colour, knit 5 rounds.

Start the heel lap by working on 12 stitches of needle I on to needle IV. Leave sts on needle II and III waiting. Work the 24 heel sts back and forth in rows as follows:

WS: sl1 with yarn in front, purl to the end . Turn.

Row 1 \*sl1 with yarn in back, k1\*; repeat \*-\* to the end. Turn.

Row 2 sl1 with yarn in front, purl to the end. Turn.

Row 3 sl1 with yarn in back, k1, \*k1 sl1 with yarn in back\*, repeat \*-\* to the last st, k1. Turn.

Row 4 sl1 with yarn in front, purl to end. Turn.

Repeat the rows 1-4 until the heel flap's height is 24 rows.

Begin turning the heel, continue the pattern as established (row 1). Work the RS row until 9sts remain. Slip 1 knitwise, k1 and pass slipped sts over, turn work. Slip one (yarn in front), p6, p2 together, turn work. Slip 1 (yarn in back), k6 (begin with k1), slip 1 knitwise, k1 and pass slipped st over. Turn. Continue in this manner, decreasing at the ends with 8 sts in the middle. When only the middle sts remain, divide the sts onto two needles, 4 sts each. k4, so the round changes again between needles I and IV.

Use a free needle to pick up 13 sts from the left end of the heel flap and knit the picked-up sts through the back loop to needle I. Knit the sts on needles II and III. Using the needles with 4 sts pick up 13 sts from the right end and knit the picked-up sts through the back loop ja knit the 4 flap sts.

With these 58sts (17-12-12-17), begin gusset decreases: at the end of needle I, k2 together; at the beginning of the needle IV slip 1 knitwise, k1 and pass slipped st over. Repeat the decreases every other round until 48 sts on the needles (12-12-12-12).

Work on the stockinette until the sole measures 19cm or the fifth toe is covered. Begin toe decreases: k2 together at the midpoint and to the end of each needle. Work 4 rounds even, then repeat the decreases. 1 less round between decrease rounds after each time. Continue in this manner until 8 sts remain. Cut the yarn, pass it through the remaining sts and pull tightly. Securely weave in all ends.

Knit the other sock in the same manner. Steam the socks lightly.
